INITIAL DISCLOSURE STATEMENT

You need not accept this credit card or pay any fee disclosed unless you use the card.

The following is an initial disclosure statement. If you are approved for a CareCredit credit card, a complete credit card agreement ("Agreement") governing your CareCredit credit card account ("Account") will be sent to you along with your credit card. The CareCredit credit card is issued by GE Money Bank ("Bank"). In this disclosure statement, "we", "us", and "our" means the Bank; "you" and "your" means all persons who we approve to use the Account; and "Card" means your CareCredit credit card. You may use your Account to purchase goods or services ("Purchases") or to obtain cash advances ("Cash Advances") by writing checks ("Checks") we may provide to you from time to time or by other means we may make available.

PERIODIC FINANCE CHARGES.

- A. The total periodic Finance Charge imposed in a billing period ("Current Billing Period") is total of (i) the daily periodic Finance Charges on Purchases and Cash Advances in the Current Billing Period, plus (ii) the total of the periodic Finance Charges on new Purchases in the previous billing period ("Previous Billing Period"). However, there will be no periodic Finance Charges imposed in the Current Billing Period on any Purchases (including new Purchases in the Previous Billing Period) if for each billing period you pay your New Balance, including any Cash Advance balance and any balance of Purchases made under any Special Payment Plan, in full on or before the Payment Due Date for such billing period. In addition, there will be no periodic Finance Charges imposed in the Current Billing Period on any new Purchases in the Previous Billing Period if daily Finance Charges were imposed on those new Purchases in the Previous Billing Period.
- B. The periodic Finance Charge imposed in the Current Billing Period on Purchases or Cash Advances for the Current Billing Period is determined by multiplying the Periodic Rate for the Current Billing Period times the Daily Balances of Purchases or Cash Advances in the Current Billing Period to determine the daily periodic Finance Charges, and adding together those daily periodic Finance Charges for each day in the Current Billing Period. The periodic Finance Charge imposed in the Current Billing Period on new Purchases for the Previous Billing Period is determined by multiplying the Periodic Rate for the Current Billing Period times the Daily Balances of new Purchases in the Previous Billing Period to determine the daily periodic Finance Charges, and adding together those daily periodic Finance Charges for each day in the Previous Billing Period. However, there is a minimum periodic **FINANCE CHARGE** of \$1 for a billing period in which a periodic Finance Charge is assessed.
- C. The periodic Finance Charges will be determined separately for charges incurred under any Special Payment Plan in accordance with the terms established for such Special Payment Plan. *You understand and acknowledge that this Account provides for the daily compounding of periodic Finance Charges.*

PERIODIC RATES

- A. The Periodic Rate for your Account is the Standard Rate, unless the Delinquency Rate applies as described below. The Standard Rate for a billing period is the greater of (i) the Prime Rate plus **14.73%**, times 1/365, or (ii) **0630% (ANNUAL PERCENTAGE RATE 22.98%)**. The Standard Rate shall not exceed **.0678% (ANNUAL PERCENTAGE RATE 24.75%)**. The "Prime Rate" for a billing period is the highest bank prime loan rate as published in *The Wall Street Journal* in its Money Rates section on the fifth business day preceding the first day of the billing period. As of March 1, 2005, the Standard Rate was **.0630% (ANNUAL PERCENTAGE RATE 22.98%)**.
- B. When the Standard Rate applies, the Periodic Rate and corresponding Annual Percentage Rate may vary. If the Prime Rate increases, the Periodic Rate and corresponding Annual Percentage Rate may increase, and as a result the periodic Finance Charge, Minimum Payment and number of payments also may increase. Any change in the Standard Rate will apply to your entire Account balance. We may select a new interest rate index if the Prime Rate is not available.

- C. If you do not make your required Minimum Payment by the Payment Due Date two times in any six consecutive billing periods, the Delinquency Rate (rather than the Standard Rate) will apply to all existing balances on your Account and all new transactions beginning with the first day of the billing period in which you missed your second Payment Due Date. The Delinquency Rate is a fixed rate of **.0739% (ANNUAL PERCENTAGE RATE 26.99%)**. Once the Delinquency Rate applies, if you make any required Minimum Payment by the Payment Due Date in twelve consecutive billing periods, the next Statement you receive will reflect the Standard Rate (rather than the Delinquency Rate) which will apply to all existing balances on your Account and all new transactions beginning with the first day of the billing period reflected on that Statement.

BALANCE SUBJECT TO PERIODIC FINANCE CHARGES.

- A. To calculate the Daily Balance of Purchases in the Current Billing Period, we take the beginning Daily Balance of Purchases in your Account each day in the Current Billing Period, add any new Purchases, fees (other than Transaction Fees for Cash Advances), debt cancellation fees, or credit insurance premiums assessed that day. We also add other debits assessed that day, and subtract any payments or credits issued on that day, allocated to the Purchase balance. We then multiply this Daily Balance of Purchases by the Periodic Rate or the Current Billing Period and add the daily periodic Finance Charge to the ending Daily Balance of Purchases to determine the beginning Daily Balance of Purchases for the next day.
- B. To calculate the Daily Balance of Cash Advances in the Current Billing Period, we take the beginning Daily Balance of Cash Advances in your Account each day in the Current Billing Period, add any new Cash Advances or Transaction Fees for Cash Advances assessed that day. We also add other debits assessed that day, and subtract any payments or credits issued on that day, allocated to the Cash Advance balance. We then multiply this Daily Balance of Cash Advances by the Periodic Rate for the Current Billing Period and add the daily periodic Finance Charge to the ending Daily Balance of Cash Advances to determine the beginning Daily Balance of Cash Advances for the next day.
- C. To calculate the Daily Balance of new Purchases in the Previous Billing Period, we take the beginning Daily Balance of new Purchases in your Account each day in the Previous Billing Period, and add any new Purchases that day. We also add other debits assessed that day, and subtract any payments or credits issued on that day, allocated to the balance of new Purchases. We then multiply this Daily Balance of new Purchases by the Periodic Rate for the Current Billing Period and add the daily periodic Finance Charge to the ending Daily Balance of new Purchases to determine the beginning Daily Balance of new Purchases for the next day.
- D. Any Daily Balance of less than zero will be treated as zero. Purchases and Cash Advances are included in the Daily Balance of your Account as of the transaction date or, at our option, as of the date the transaction is posted to your Account.

WHEN PERIODIC FINANCE CHARGES BEGIN TO ACCRUE. Purchases and Cash Advances begin to accrue periodic Finance Charges from the day the charge is included in the Daily Balance of the Account and continue to accrue finance charges until the charge is paid in full. However, you can avoid periodic Finance Charges on new Purchases in the Current Billing Period if for each billing period you pay your New Balance, including any Cash Advance balance and any balance of Purchases made under any Special Payment Plan, in full on or before the Payment Due Date for such billing period. There is no period within which you can avoid periodic Finance Charges on Cash Advances or Transaction Fees for Cash Advances.

PAYMENTS. You must pay at least the Minimum Payment on your billing statement by the Payment Due Date shown on the billing statement. You may pay more than the Minimum Payment at any time. Your Minimum Payment will be (i) the greater of \$10 or 3% of the New Balance minus any balance attributable to any Special Payment Plan that involves delayed or special payments, rounded to the next lowest dollar, plus (ii) any past due amounts. However, the Minimum Payment is the New Balance if the New Balance is less than \$10. You must pay any past due amounts as part of your Minimum Payment. We reserve the right to select the method by which payments and credits are allocated to your Account in our sole discretion.

The payment allocation method that we use may result in higher Finance Charges on your Account, depending on the types of transaction you make (such as promotional or non-promotional purchases), and the timing and amount of your payments. If you have any questions about the allocation of your payment or would prefer to choose a different payment allocation option we offer, please call customer service at 1-866-893-7864.

FEES. You agree to pay the following fees.

- A. A Late Payment Fee, if we have not received your Minimum Payment by the Payment Due Date shown on your Statement. The amount of the Late Payment Fee will be based on your New Balance at the end of the billing period ending after the Payment Due Date. The Late Payment Fee will be \$15 for a New Balance under \$99.99; \$29 for a New Balance \$100.00 to \$999.99; and \$35 for a Balance of \$1000.00 or more.
- B. A Returned Check Fee of \$29 if any check or other instrument sent to us, or any electronic payment authorization you provide us in payment on your Account, is not honored upon first presentment, even if the check, instrument or electronic authorization is later honored.
- C. An Over Limit Fee of \$29 for each billing period in which your New Balance as shown on your Statement exceeds your Credit Limit. We may assess an Over Limit Fee even if we authorize the transactions on your Account that caused you to exceed your Credit Limit or if you exceed your Credit Limit as a result of unpaid Finance Charges, the billing of deferred accrued Finance Charges or other fees.
- D. A Transaction Fee for each Cash Advance that posts to your Account. This fee will be a **FINANCE CHARGE** equal to 4% of the amount of the Cash Advance, with a minimum of \$5 and a maximum of \$50.
- E. A Returned Loan Check Fee of \$20, on your Account in the event any Check on your Account is not honored by us because (i) the portion of your Credit Limit available for Checks is insufficient to cover the amount of the Check, (ii) you have filed a petition in bankruptcy, (iii) the Check has expired, or (iv) your Account has been closed.
- F. A Stop Payment Fee of \$20 if we stop payment on any Check at your request.

SECURITY INTEREST. You grant us a purchase money security interest in each item of merchandise purchased on your Account to secure its unpaid purchase price until such merchandise is paid in full. Solely for the purpose of determining the extent of our purchase money security interest in each such item of merchandise, your payments will be allocated first to Finance Charges on the Account, and then to pay off each Purchase on the Account in the order in which the Purchase was made (if more than one item was purchased on the same day, your payments will be allocated to pay off the lowest priced item first). Additionally, if you made a Purchase pursuant to a credit promotion involving the avoidance of Finance Charges and that Purchase is included on Statements during the promotional period, we also will allocate to such promotional Purchase the same payments referred to in the immediately preceding sentence if those payments are received during the period starting with the initial billing of the promotional Purchase until the expiration of the promotional period. For purposes of determining the amount owing on your Account, payments will be credited only once at the time of payment to the then-outstanding balance of your Account. We agree that no security interest is or will be retained or acquired under this Agreement in any real property which is used or is expected to be used as your dwelling.

CHANGE IN TERMS. We may, at any time and subject to applicable law, change, add or delete provisions of the Agreement ("Terms Change") or terminate your Account. Unless prohibited by applicable law, we may apply any Terms Change to any outstanding or future balances of your Account.

ARBITRATION. The Agreement contains an arbitration provision that may substantially limit your rights in the event of a dispute, including your right to litigate in court or have a jury trial, discovery and appeal rights, and the right to participate as a representative or member of a class action. You have a right to reject the arbitration provision, by following the instructions in the arbitration provision. If you reject arbitration, it will have no effect on any other terms of the Agreement

Notice: The following is important information regarding your right to dispute billing errors.

YOUR BILLING RIGHTS - KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us in Case of Errors or Questions About Your Bill.

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address shown on your Statement under billing inquiries. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and Account number
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- (a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and
- (b) The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.

ACCOUNT SECURITY PROGRAM Summary of Terms

The Account Security Program ("Program") is **optional**. Whether or not you purchase the Program will not affect your application for credit or the terms of any existing credit agreement you have with GE Money Bank ("Bank").

Upon acceptance of your enrollment in the Program, you will receive the complete Program Agreement. Please read the Program Agreement carefully since it provides a complete explanation of the Program. The following is only a summary of the Program, including a summary of the eligibility requirements, conditions and exclusions that could prevent you from receiving benefits under the Program.

Debt Cancellation is provided under the terms of the Program for the following events ("Covered Events"): Involuntary Unemployment, Leave of Absence, Disability, Hospitalization, Nursing Home Care, or Loss of Life with respect to the primary cardholder (the person whose name is listed first on the billing statement).

COST: The monthly fee for the Program is \$1.50 per \$100 of the average daily balance of your Account as provided in the Program Agreement. The fee is subject to change upon notice to you as required by law.

PROTECTIONS FOR YOU: The outstanding balance on your Account, as of the date of the Covered Event, **up to \$10,000**, is cancelled under the terms of the Program Agreement for the following Covered Events:

INVOLUNTARY UNEMPLOYMENT: You must be involuntarily unemployed for at least 90 consecutive days. Unemployment for which you had notice within 90 days prior to enrollment in the Program or which begins within 60 days after enrollment in the Program is not covered. You must have been employed full-time in a non-seasonal occupation as of the date of involuntary unemployment, be eligible for state unemployment benefits and register within 15 days of the unemployment for work at a recognized employment agency. Unemployment caused by the following reasons is also excluded: (a) your voluntary forfeiture of employment, salary, wages or other employment income; (b) your resignation; (c) your retirement; (d) your involuntary termination of employment as the result of willful or criminal misconduct; (e) scheduled termination of your employment pursuant to an employment contract; (f) termination of seasonal employment; (g) your imprisonment; or (h) a reduction in number of hours worked that does not result in total elimination of employment income.

LEAVE OF ABSENCE: You must be on an unpaid employer approved leave of absence for at least 90 consecutive days. A leave of absence within 60 days after enrollment in the Program is not covered. You must have been employed full-time in a non-seasonal occupation as of the date the leave began.

DISABILITY: You must be disabled for at least 90 consecutive days. Disability caused by the following reasons is excluded: (a) normal pregnancy or childbirth; (b) an intentionally self-inflicted injury, whether you are sane or insane; (c) flight in non-scheduled aircraft; (d) war, declared or undeclared, including any act of war; or (e) foreign travel or residence.

HOSPITALIZATION: You must be hospitalized while under continuous care by a physician for at least 14 consecutive days. Hospitalization caused by or resulting from the following reasons will not be covered: (a) normal pregnancy or childbirth; or (b) an intentionally self-inflicted injury, whether you are sane or insane.

NURSING HOME CARE: You must be confined to a licensed nursing home while under continuous care by a physician for at least 14 consecutive days.

LOSS OF LIFE: You die.

ENDING YOUR PROTECTION: You may terminate your enrollment in the Program at any time. If you choose to terminate within 60 days of enrollment, Bank will credit to your Account any Program fee you have been charged. Bank may terminate your enrollment in the Program by providing written notice to you. Your enrollment in the Program will terminate automatically if you fail to make any required minimum payment on your Account in any two consecutive billing periods.

HOW TO CLAIM BENEFITS: You may obtain a form to request debt cancellation by calling toll free at 1-866-846-6991 or by writing to Account Security, P.O. Box 39, Roswell, GA 30077-0039. You must also provide documents described in the Program Agreement for a particular Covered Event. In addition, you agree to provide any additional information or documents reasonably requested by Bank in connection with our review of your request for debt cancellation.

ADDITIONAL IMPORTANT DISCLOSURES:

- Bank reserves the right to modify the Program at any time and will provide you notice as required by law.
- Cancelled debt under the Program may be taxable as income if provided by law. Please consult your tax advisor for guidance.
- You must continue to make any required minimum payments on your Account after a Covered Event until the outstanding balance on your Account is paid off. A Covered Event (other than death) must occur continuously for the specified period of time before debt cancellation can be requested.
- You may continue to use your Account after a Covered Event, subject to the terms of your Account Agreement. However, the amount of debt cancelled under the Program does not include purchases on your Account after the Covered Event (unless those purchases are covered due to a subsequent Covered Event while you continue to have the Program).
- Any arbitration provisions that may apply with respect to your Account Agreement shall also apply with respect to the Program.
- The Program is not insurance.
- The Program is not available for residents of Alabama and Mississippi.
